Norwalk

Silhouetted Faces and Period Pieces by

Duvian Montoya
South Norwalk Train
Station

Reflecting through fashion on the generations that have passed through the South Norwalk Train Station. Only the clothing of these life sized figures are painted as a way to pay tribute to the various generations rather than an individual.

New London

Thames River Heritage Parkway Sculpture by John Carney, 2009

Located on the waterfront, the redesigned parkway features interpretive and exhibit elements that will excite visitors about the special attractions around the City and highlight the historic ties between the city and the waterfront.

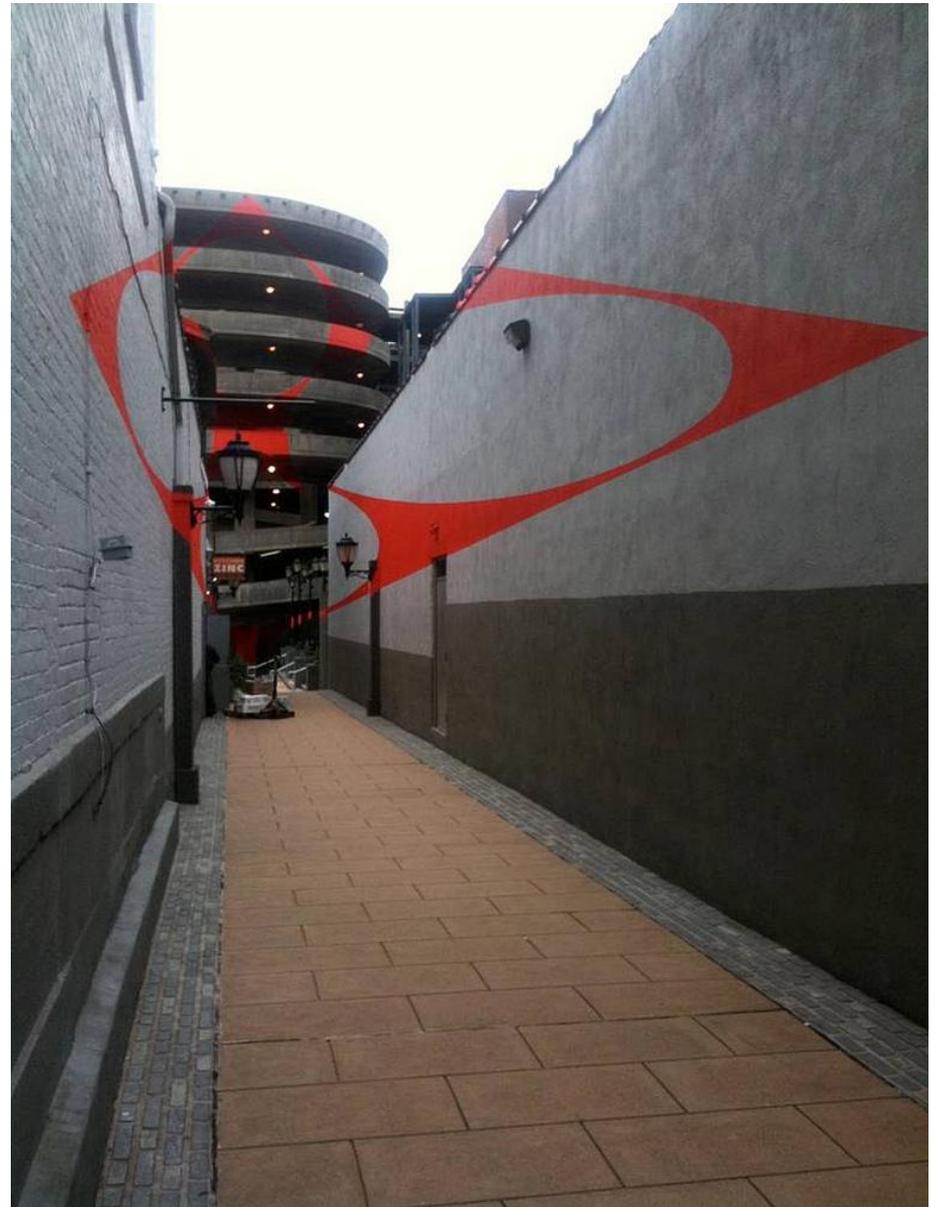

Windsor Locks
