### Exploring Climate Solutions Webinar Series

Brought to you by the *Governor's Council on Climate Change (GC3)*

The GC3'S **Exploring Climate Solutions** webinar series explores innovative and successful climate change solutions across Connecticut and the nation. The series provides you with first-hand accounts of high-profile municipal climate programs, climate initiatives in the corporate world, greenhouse gas reporting frameworks, statewide sustainability programs, materials management strategies, and low-carbon fuel initiatives.

In our upcoming **July 22<sup>nd</sup> lunchtime webinar**, join us to hear from Jeffrey Schub, Executive Director of the **Coalition for Green Capital** and Bryan Garcia, President and CEO of the **Connecticut Green Bank**. The Coalition for Green Capital, a 501(c)3 nonprofit organization has been leading the green bank movement since 2009. Mr. Schub will provide an overview of the green bank movement across the United States while Mr. Garcia will talk about the nation's first state-level green bank formed in July of 2011, the Connecticut Green Bank. The CT Green Bank is making clean energy more affordable and accessible by leveraging limited public resources to attract private capital investment and scale-up the deployment of clean energy in Connecticut.
