

Directions to Infant Cognition Center

Room 210, Sheffield Sterling Strathcona Building (SSS)
Corner of Grove and Prospect Streets
New Haven, Connecticut
(203) 436-1415

For your convenience we have reserved a parking space on Hillhouse Avenue for the exclusive use of our research participants. *The parking space is the third parking meter on the left hand side of the street. There is a bright yellow meter bag and a red sign chained to the meter indicating the space is reserved for the Infant Cognition Laboratory (see picture on back of this page).*

NOTE: Our center is not located in Kirtland Hall. Please refer to back side of page for instructions on how to get from the parking space to our center.

From I 95:

- 1) Get off I-95 at Exit 48 "I-91 North to Hartford"
- 2) Follow the Instructions "From I-91"

From I 91:

- 1) Get off I-91 at Exit 3 Trumbull St.
- 2) At the end of the ramp, turn left onto Orange Street
- 3) At the next traffic light, turn right onto Grove Street
- 4) After 2 lights, turn right onto Hillhouse Ave. As you turn onto Hillhouse, our reserved parking space is the 3rd meter on the left, near the red brick building (Kirtland Hall), which is 2 Hillhouse Ave.
- 5) Follow the directions on the back of this page to get from the parking space to our Center.

From Route 34:

- 1) Turn left onto Ella T. Grasso Blvd (heading north)
- 2) Turn right onto Whalley Ave
- 3) Continue on Whalley Ave past the Shaw's Grocery Store (which will be on your right). After you pass Shaw's, you will go through another 2 sets of lights.
- 4) Whalley merges onto Broadway and then turns into Elm St.
- 5) Follow Elm St to Church St
- 6) Make a left onto Church St (a large intersection with two left-turning lanes)
- 7) Take another left onto Grove St (near Brueggers Bagel)
- 8) Take 2nd right onto Hillhouse Ave. As you turn onto Hillhouse, our reserved parking space is the 3rd meter on the left, near the red brick building (Kirtland Hall), which is 2 Hillhouse Ave.
- 9) Follow the directions on the back of this page to get from the parking space to our Center

From Hamden & Cheshire:

- 1) Follow Whitney Ave into New Haven (heading south).
- 2) Whitney Ave will split into Temple St and Church St. **TEMPLE ST IS CLOSED TO THROUGH TRAFFIC AT TRUMBULL ST.**
- 3) Make a left on Trumbull St.
- 4) Go straight through first light (immediate), at next light, make a right onto Orange St.
- 5) Take right at next light onto Grove St.
- 6) Go through 2 lights, then take the next right onto Hillhouse Ave. As you turn onto Hillhouse, our reserved parking space is the 3rd meter on the left, near the red brick building (Kirtland Hall), which is 2 Hillhouse Ave.
- 6) Follow the directions on the back of this page to get from the parking space to our Center.

How to get to the Infant Cognition Center in SSS from the reserved parking space:

- 1) The first photograph below depicts the sign for our reserved parking space. The second photo is the walk-way that leads behind Kirtland Hall to the SSS building, where the Infant Cognition Center is located. Follow this walk-way and you will be facing the SSS building (3rd photograph below), which is a modern Gothic building with a 10-story tower.

- 2) Enter SSS through the ground doors (Shown in Photo 4 above).
- 3) Once you are inside the building, continue walking straight and there will be an elevator to your right.
- 4) Take the elevator to the second floor.
- 5) When you get off the elevator, go left down the hall and through the first set of double doors.
- 6) Immediately on your left there will be another set of double doors. This is the Infant Cognition Center. Come on in!
