Nothing connects us to a country more than its language. Speaking German can help you strengthen that connection while enhancing travel, education and business horizons. Founded in 1978, the German School of Connecticut – the only professional German Saturday School in the state – provides a dual-track curriculum for beginners to native or near-fluent speakers. Over 400 students from Pre-K thru High School and Adults learn, improve and maintain German language skills while celebrating Austrian, German and Swiss traditions and cultures.
