Exploring Artism

A program for families with a child with ASD

Saturdays
10:30 am-noon

SEPTEMBER 17
OCTOBER 15
NOVEMBER 19

Yale Center for British Art
1080 Chapel Street
New Haven, CT

This is a free program for families with children 5 to 12 years of age and on the autism spectrum. Participants look at artwork in the museum's galleries and create a follow-up art project in a museum classroom. A quiet room is available throughout the session with blankets and sensory toys. While the needs of individuals with autism are taken into account for the design of this program, it is also intended to be fun for parents, siblings, and other relatives too!

Free, but pre-registration is required. Please e-mail: ycba.education@yale.edu or call 203 432 2858 with your name, number, and a good time to reach you on the telephone. A museum educator will contact you by phone to complete and confirm your registration.

For more information about past sessions, visit: campuspress.yale.edu/exploringartismycba
